

A note from Bianca, our founder.

Italian Fix delivers Italy *differently*.

Our signature style is mix & match.

Iconic places & secret places are on the same trip, across our entire collection.

The result? You get the famous locations you came for, plus the essence of Italy, when you know where to look.

In the age of Instagram and AI, we intentionally keep secret locations off public pages to protect their identity (although we're happy to share them with you, please send us a message).

Come travel with us in 2026 and see how our signature style of travel can improve the quality of your life, one beautiful day at a time.

We're a team of thoughtful and curious people who have been pioneers in small group travel since 2011, and we have a world-class rebooking rate and excellent reviews.

With love & limoncello,

Bianca Gignac

TOUR HIGHLIGHTS

Stay in a UNESCO World Heritage Site

Enjoy the beauty of nature in this culturally rich area, which is an Italian national park and a protected marine zone, prohibiting most boats from coming close to the coast and restricting vehicle traffic. Your hotel is right off the main square of one of Italy's Unesco World Heritage Sites.

Visit Villages We Keep Secret

At Italian Fix, we blend Italy's iconic destinations (like the Cinque Terre) with hidden gems you've likely never heard of. Our signature "second cities" strategy is why so many people choose to travel with us. We carefully mix well-known locations with lesser-known ones because we understand that 70% of Italy's foreign tourism is funneled into just 1% of the country. We want our guests to see it all, both the iconic sites and the secondary ones, that capture the spirit of *vita lenta* (the slow life). To protect the locations, we intentionally leave these unknown villages off our itineraries. But if you're curious, just send us a message as we're happy to share.

Shop the Best Market in Italy

Our private driver zips us to a grand market in Tuscany. In under 2 hours you'll be among the locals hunting for your next Made in Italy and other back-of-the-van and designer deals on a guided shopping trip designed exclusively for our guests. This Tuscan town, a favorite beach holiday destination for Italians, will hook you with its wide boulevards, pretty shops, luxury Italian brands like Gucci, Prada, Armani, and Dolce & Gabbana, and its "vacation from your vacation" vibe.

Cinque Terre Boat Excursion

You haven't fully experienced the Cinque Terre until you've cruised the villages from the sea. Capture memories and enjoy a drink as you glide past the colorful, pastel fishing towns. Swim or bob in the clear waters beneath the towering cliffs, and take plenty of photos along the way. This fun experience is a core memory for many guests.

Private Wine Tasting

Visit a private cantina belonging to a vintner who has been making wine here for over five decades. We'll taste the local whites and prized Sciaccheta, a unique wine from this region. Wines from the Cinque Terre are grown on terraced hillsides and, unlike other Italian wines, are not exported, so enjoying them at the vintner's cantina is a special experience.

Cooking Experience & Dinner at a Private Home

Enjoy dinner overlooking the villages as if you have friends here—because now you do! In Italy, it's not what you know, but who you know. And we know people! While everyone can visit restaurants, being with insiders means you experience the best ones and also dining at our friends' homes.

DAILY ITINERARY

Arrival Day

Your host will be there to meet you the second you arrive in Monterosso. And, because our team of experts have all the details covered, you can instantly ease right into the Dolce Zone—that carefree state of mind that Italian Fix guests experience. Tonight, we share our first of many epic meals together with our group in a relaxed atmosphere, perfect for your first night in the Cinque Terre. [Images of the hotel are here](#). Sleep: Monterosso

Day 2

Have your breakfast each morning on the hotel's outdoor terrace, surrounded by lemon trees. Today, we explore the lesser-known streets in and around the charming villages of the Cinque Terre, including Riomaggiore and Manarola and secret villages the locals know. We know the perfect spots for capturing those iconic photos. Forget postcards, you'll take those shots yourself. We enjoy a sunset aperitivo with a great view. Sleep: Monterosso

Day 3

Today we venture to Levanto — where Italian tourists like to spend their summers. You'll spend some time in the town, before heading to our friend's place for an afternoon of cooking, eating and relaxing at her lovely villa. After lunch, we return to our home base of Monterosso. You have the option to visit our favorite beach club (crack open a book, dip your toes into the water) or wander the village to discover the shops (or nap at home!). You have a free evening. In the evening, Sleep: Monterosso

Day 4

Road trip! We head to Tuscany with our private driver to one of our absolute fave places in all of Italy— an expansive market full of Made in Italy clothing, shoes, and gifts. You can choose to shop or wander this opulent Tuscan town on the seaside, called Forte dei Marmi. We love the beach clubs along the white sand offering amazing lunches and people watching. Our driver takes us back to Monterosso post-lunch. Sleep: Monterosso

Day 5

This is a “choose your own adventure” day. We have a ton of suggestions to inspire you, but today is your day to do whatever you feel like at the moment. Take the ferry to another village. Hike on the famous trails. Relax and ponder life’s wonders as you cat nap under a striped beach umbrella. Whether it’s a visit to luxe Portofino, to Genoa or an afternoon doing absolutely nothing (or a bit of both!), it’s your time. Of course our guides will help you decide what to do in your free time. Sleep: Monterosso

Day 6

It’s another beautiful day in paradise, and we have another exclusive event arranged specially for Italian Fix guests. We head out to Vernazza, considered the most picturesque of the five villages. We head to a private wine cantina where we have tastings of local wines plus a walking tour of this special village. Sleep: Monterosso

Day 7

You can’t come to Cinque Terre on the breathtaking Italian Riviera and not go out on the water. Lounge about and take in the spectacular views from our private boat. During our excursion, we’ll visit secret swim spots along the Mediterranean waters and enjoy lunch on board. Let the beauty and simplicity of the Cinque Terre inspire you as we float gently along the coastline. We seal the deal with a farewell dinner. Sleep: Monterosso

Day 8

Take in the final moments Cinque Terre has to offer before checking out of your hotel. In case you’re not ready to head back home, we have designed our travel season so you can extend your stay. Continue exploring Italy with another Italian Fix tour, or catch a flight home if you must. Whatever you choose, we know you’ll be leaving inspired and refreshed, having fully embraced the art of living, Italian style. Buon viaggio!
