

## A note from Bianca, our founder.

Italian Fix delivers Italy *differently*.

Our signature style is mix & match.

Iconic places & secret places are on the same trip, across our entire collection.

The result? You get the famous locations you came for, plus the essence of Italy, when you know where to look.

In the age of Instagram and AI, we intentionally keep secret locations off public pages to protect their identity (although we're happy to share them with you, please send us a message).

Come travel with us in 2026 and see how our signature style of travel can improve the quality of your life, one beautiful day at a time.

We're a team of thoughtful and curious people who have been pioneers in small group travel since 2011, and we have a world-class rebooking rate and excellent reviews.

With love & limoncello,

**Bianca Gignac**

# DAILY ITINERARY

## Arrival Day

We'll collect you before lunch from your Naples hotel and head down to the port to catch the hydrofoil to Ischia, a 50-minute ride. We'll check into our spa hotel, just minutes from the port. Our hotel is within walking distance of all amenities. Ischia is known for its thermal waters, and we've chosen a spa hotel so you can soak in these healing waters anytime you like during your stay. We'll have lunch and visit the castle because the view is incredible. **The 5 star hotel images are here.** Sleep: Ischia

## Day 2

Our first full day on Ischia includes a tour of the island (it's bigger than you think and has a lot of small villages), so you can get the lay of the land with our private driver and guide. We'll dine at a local trattoria for lunch but we also have a cantina visit and wine tasting scheduled. Lots of great food and wine (or non-alcoholic beverages) is always on our mind. Free time on your own so you can shop and wander. Sleep: Ischia

## Day 3

Today we'll spend the day on the island of Capri. You'll cruise the coast on our private boat. That classic shot of you living your best life with the Faraglioni (those steep rock formations in all the shots of Capri) behind you isn't going to take itself, after all. You'll tour Capri with your guide, then have some free time. We'll travel back to Ischia before dinnertime. Sleep: Ischia

## Day 4

Spend a day of pure relaxation at the renowned thermal baths, frequented by Europeans in the know who travel from all corners of the continent to experience this oasis. Spanning acres of gardens and featuring a pretty beach and pools, along with a wine bar and multiple dining areas, this destination promises rejuvenation. Massages and other services are available to book for additional fees. Sleep: Ischia

## Day 5

One of the highlights of our journey is visiting Procida, currently known only among savvy travelers. In 2022, it became Italy's first island to win the prestigious Capital of Culture award, receiving a million-euro prize to preserve its rich cultural heritage. Procida is often overshadowed by more glamorous islands nearby, which is exactly why we're going. Sleep: Ischia

## Day 6

Check-out and departure day with transfer back to Naples. You might even be heading to another Italian Fix trip after this. View our [calendar](#) to see all of your options. Whatever you need, we'll help. Buon viaggio!
