

A note from Bianca, our founder.

Italian Fix delivers Italy *differently*.

Our signature style is mix & match.

Iconic places & secret places are on the same trip, across our entire collection.

The result? You get the famous locations you came for, plus the essence of Italy, when you know where to look.

In the age of Instagram and AI, we intentionally keep secret locations off public pages to protect their identity (although we're happy to share them with you, please send us a message).

Come travel with us in 2026 and see how our signature style of travel can improve the quality of your life, one beautiful day at a time.

We're a team of thoughtful and curious people who have been pioneers in small group travel since 2011, and we have a world-class rebooking rate and excellent reviews.

With love & limoncello,

Bianca Gignac

DAILY ITINERARY

Arrival Day

Our driver will collect you from your Naples hotel (or from the airport) and transfer you to our Amalfi coast hotel. The ride along the coast is famous for its stunning views, so you'll quickly shift into "vacation mode," or as we like to call it, the Dolce Zone — that special state of mind that Italian Fix guests get to experience. Tonight, we'll celebrate life with a beautiful meal. You'll end the night on a high, buzzing from the new friends you've met (and possibly the local limoncello). Sleep: Positano

Day 2

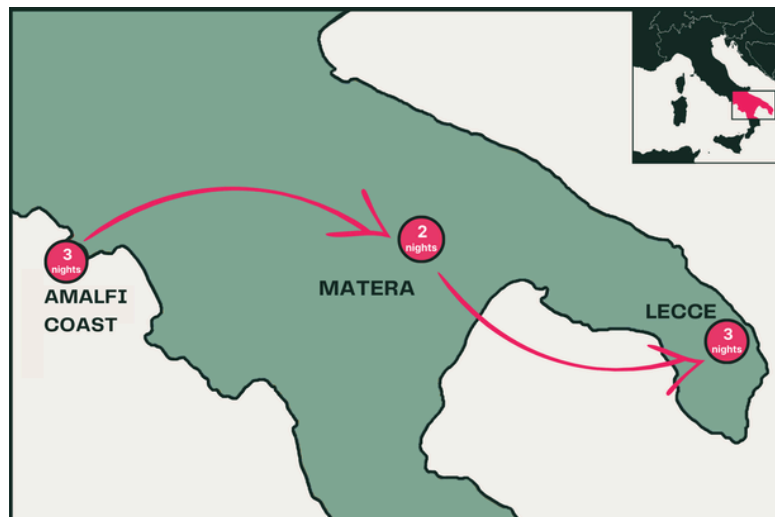

Today, you can treat yourself to a super relaxing three-cappuccino morning and recharge in the Italian sunshine. Your guide has a beautiful Positano walking excursion planned for you in the late morning — then a nice lunch. Free time in the afternoon to wander, swim or relax. We'll gather for drinks at sunset, followed by dinner. Sleep: Positano

Day 3

Our captain will show us the Amalfi Coast the way it was meant to be seen — from the water. Free time to swim or just enjoy the scenery and the cocktails. We'll have lunch together on land — before relaxing back at home. The night is free for you to do as you wish. Sleep: Positano

Day 4

Today, we begin our journey into the heart of Italy, where we'll spend a few nights in the country's oldest city. Many people simply don't venture into this part of the country. In fact, you'll see very few foreign travelers in this area. But before we explore roads blazed by the Greeks in 450 BC, we'll go and eat some cheese. Because, well, #italy! Then we'll make our way to one of the most otherworldly places you'll ever see — Matera. It's a Unesco World Heritage Site, and in 2019 was named the European Capital of Culture. Enjoy a walking tour of Matera and a free choice for dinner. Sleep: Matera

Day 5

Wander through Matera's tangle of winding streets or sit at a sidewalk café with a cappuccino and watch the world go by. Whatever you do, take in every last drop of this ancient place. In the evening we'll explore the creamy stone laneways of Matera on an Ape Calessino tour followed by dinner in our fave spot. Sleep: Matera

Day 6

We continue our Southern Italy journey by heading into the heart of Puglia, Italy's up-and-coming destination. Once the poorest part of the country, this region is now in every magazine, blog, and guidebook — come before it's been bought up by the Clooneys! We'll visit the town of Alberobello, the epicenter of trulli houses. Wine and snacks at a friend's place. Check in at our hotel in Lecce and then enjoy some free time. Sleep: Lecce

Day 7

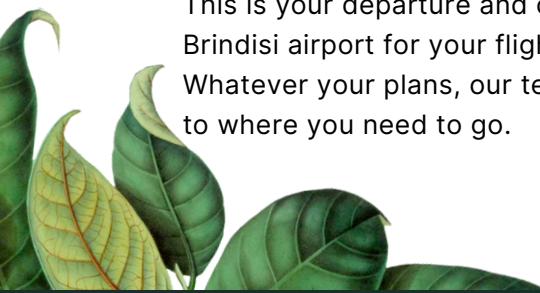

You'll soak in all the beauty that is Lecce — the Florence of the South — at the very tip of Italy's heel. This city is baroque extravagance at its best, full of spiraled columns and gargoyles. We'll explore the countryside and some of the smaller Puglian villages, like Ostuni, a crown of white buildings spread out over three hills overlooking the Adriatic. Lunch is at a countryside masseria. Free evening in Lecce to enjoy the buzz (of the city and maybe the Spritz). Sleep: Lecce

Day 8

This is our last day in Italy together so we've curated a beautiful private event for you at a local studio. We'll make a meal together, drink some Puglian wines, and connect over food and music. Since you're pretty much Italian now, making food, listening to live music, and tossing your head back as you dance the pizzica (a popular Italian folk dance from this area) is totally normal! Don't worry, what happens in Italy stays in Italy... but who's kidding who? You're going to be bursting to share every detail of the time you had in some of the most beautiful places on earth. Sleep: Lecce

Day 9

This is your departure and check-out day. We'll provide you with a private transfer to Brindisi airport for your flight, or help you with another transfer if you're staying longer. Whatever your plans, our team will have everything handled so you can confidently get to where you need to go.

**The itineraries are subject to slight routes and activity changes due to weather, safety and the lead guides choice.*
